

HARASSMENT

STOP IT!

Call TEAM for safe and confidential support 24/7 at 800-634-7710.

TRAINED REPRESENTATION

Providing members with the best representation, critical support, and trained expertise.

FAIR & CONSISTENT

Protecting members who fear retaliation and treating complaints consistently and fairly.

ONGOING SUPPORT

Addressing the harassment complaint and supporting the member's emotional and physical well-being.

ANTI-HARASSMENT PROTOCOL

Harassment is widespread within the construction industry and can include hazing, inappropriate comments and jokes, unwanted physical contact, and assault. **No one should ever be subject to harassment of any kind.**

The North Central States Regional Council of Carpenters has partnered with **TEAM Wellness at Work** to develop an **Anti-Harassment Protocol** for when situations of harassment arise to give members a confidential pathway to the best representation, critical support, and trained expertise.
