Tentative Agreement Summary

Language :

1. Clarification that apprenticeship scale was adjusted 5% higher to offset state requirement to pay apprentices for paid related instruction.
2. Diving Work: Diving Work to be paid at the rate under the Council Wide Diving Addendum.
3. Double time after 12 hours of work in a day. This provision does not apply to Heavy/Highway work.
4. Subcontracting Revision: Previous subcontractor language allowed nonunion subcontracting if the nonunion subcontractor is the low bidder. We reached agreement on new language that clarifies that only when no union bidder is responsive may the employer subcontract nonunion.
